

# DOUBLE YOUR DEEP CLEANING POWER.

The best-selling commercial dual-motor upright vacuum.

# Double your deep cleaning power.

Legendary performance and reliability come standard with the Versamatic® dual-motor upright vacuum. For over 35 years the Versamatic has been the longest lasting most durable vacuum on the market. This vacuum is what you need to ensure the life of your carpet and to improve your indoor air quality. Make the investment in a quality dual-motor machine to increase your productivity for years of trouble free service. In a single pass, the Versamatic's® 1000 watt vacuum motor and separate brush motor allow you to clean deep into the carpet and remove dirt that can damage your carpet. Precision engineering and durable construction enable this vacuum to withstand years of daily use.

## Reliability leader

- Industry-proven track record of durability and reliability.
- We have been building quality upright Versamatic vacuums since 1979.
- Brush motor speed governor
- The quick release foot pedal is designed to release if vacuum is dropped preventing damage to the neck of the vacuum.
- Pressure relief valve protects vac motor in case of total blockage
- Electronic clutch—protects motor and belt

## Productivity in mind

- Cleans right to edge
- Cleaning paths of 14" and 18" are available to suit any need.
- Flat to floor feature allows the vacuum easily to clean under beds and furniture.
- No-tool brush strip removal for easy maintenance.
- The quick release button allows the user to easily remove and exchange the brush strip without any tools, increasing productivity
- Detail cleaning tools conveniently located on the back of the machine.

## Breathe easier

- Versamatic's® Triple Check filter bag and optional 0.3 micron Air Quality Microfilter improve indoor air quality by trapping contaminants, preventing them from being recirculated into the air.
- Optional HEPA filtration is available.
- Meets CRI standards for indoor air quality.
- Low-level exhaust

## Smart vacuuming

- Equipped with a debris trap door that allows for easy removal of clogged debris.
- Worn brush strip indicator light
- "Bag full" light
- Pile height adjustment control
- Wand with handle, comfort angle and retractable vacuum hose
- 40 foot power cord with strain relief

# Technical Specifications
